Re: General Indemnity Agreement dated September 20, 2022 (“**GIA**”) and executed by Bridgelink Engineering, LLC; Cord H. Johnson; and Cole W. Johnson (collectively, the “**Indemnitors**”) for the benefit of U.S. Specialty Insurance Company (“**USSIC**”)

Dear Messrs. Johnson and Johnson:

Bridgelink Engineering, LLC (“**Bridgelink**”) approached USSIC about issuing a release of lien bond. Prior to issuing the release of lien bond, USSIC required indemnity to protect it from potential loss under the release of lien bond. The Indemnitors satisfied the indemnity requirement of USSIC by executing the GIA. A courtesy copy of the GIA is enclosed for your reference and review. Relying on the GIA, USSIC issued Release of Lien Bond No. 100685835 for the benefit of Bridgelink on a Texas Property Code lien recorded in Bosque County, Texas (the “**Bond**”). The purpose of this letter is to address the obligations of the Indemnitors under the GIA including their obligations to post collateral with USSIC; and/or to procure the release of the Bond.

Bridgelink subcontracted engineering services to Mining Controls, LLC d/b/a Elgin Power Solutions (“EPS”) for the Dileo Solar Substation project located in Bosque County, Texas (the “**Project**”). EPS alleges that it provided engineering services to Bridgelink that Bridgelink failed to pay in the amount of \$319,258.16. EPS recorded an Affidavit for Mechanic’s and Materialman’s Lien in Bosque County Real Property Records on July 15, 2022; recorded a First Amended Affidavit for Mechanic’s and Materialman’s Lien on August 11, 2022; and recorded a Second Amended Affidavit for Mechanic’s and Materialman’s Lien on September 1, 2022 under Instrument No. 2022-03521 (collectively, the “**Lien**”). Bridgelink filed suit against EPS in Bosque County on September 6, 2022 in the case styled *Bridgelink Engineering, LLC v. Mining Controls, LLC d/b/a Elgin Power Solutions*; Cause No. CV22-232; in the 220th District Court, Bosque County, Texas (the “**Lawsuit**”) alleging EPS defaulted on its subcontract. After the filing of the Lawsuit, Bridgelink obtained the Bond from USSIC in the penal amount of \$478,887.24 and had the Bond recorded in Bosque County on September 23, 2022. On December 7, 2022, EPS filed its First Amended Answer and Counterclaim asserting a claim against the Bond to recover the full amount of the Lien, along with all costs and attorneys’ fees incurred in pursuit of its claim.

Responsive to the claim asserted against the Bond, USSIC tendered its defense to Bridgelink and its counsel Haven Massey with the law firm of Lovein Ribman, P.C. On January 27, 2023, Mr. Massey filed an answer on behalf of USSIC in the Lawsuit to the claims of EPS. On January 19, 2024, the Court granted an order allowing Mr. Massey and his firm to withdraw as counsel for both Bridgelink and USSIC. As of the date of this letter, Bridgelink has not retained new counsel to prosecute its claims against EPS or to defend the claims asserted by EPS. This firm entered a notice of appearance in the Lawsuit on February 22, 2024 for the purpose of protecting the interests of USSIC and only USSIC.

The Indemnitors contractually agreed to protect the USSIC from loss under the Bond. Paragraph 2 of the GIA provides, in relevant part, the following:

INDEMNITY – In consideration of the execution and delivery by the Surety of a Bond or Bonds on behalf of the Principal, either prior to, in connection with or subsequent to this Agreement, the Undersigned agrees to exonerate, indemnify and hold the Surety harmless from and against any and all demands, liabilities, losses, costs, damages, attorney’s fees and expenses of whatever kind or nature (including, but not limited to, interest, court costs, and counsel fees) which arise by reasons of, or in consequence of, the execution by the Surety of any Bond on behalf of the Principal and whether or not the Surety shall have paid any sums in partial or complete payment thereof, including but not limited to: sums paid including interest liabilities incurred in settlement of claims, expenses paid or incurred in connection with claims, suits, or judgments under such Bonds; expenses paid or incurred in enforcing the terms of this Agreement; expenses paid or incurred in procuring or attempting to procure release from liability under its Bond by Surety; expenses

incurred in recovering or attempting to recover losses or expenses paid or incurred; attorneys fees and all legal or professional services; adjustment of claims; premiums on Bonds issued by Surety on behalf of the Principal; or monies advanced or loaned. . .

F. The Surety shall have the exclusive right for itself and for the Undersigned to decide and determine whether any claim, demand, suit , or judgment shall, on the basis of liability, expediency or otherwise, be paid, settled, defended or appealed, and the Surety's determination shall be final, conclusive and binding upon the Undersigned.

The Indemnitors also contractually agreed to post collateral to protect USSIC from loss under the Bond. Paragraph 3 of the GIA provides:

COLLATERAL SECURITY – If a claim or demand is made against Surety, whether disputed or not, or Surety deems it necessary to establish a reserve for potential claims, and upon demand from Surety, the Undersigned shall deposit with Surety cash or other property acceptable to Surety, as collateral security, in a sufficient amount to protect Surety with respect to such claim or potential claims and any expense or attorneys' fees. Such collateral may be held or utilized by Surety until it has received evidence of its complete exoneration and discharge from such claim or potential claims, and until it has been fully reimbursed for all losses, expense, attorneys' fees and unpaid premiums. If said collateral, or collateral security previously deposited with Surety, is deemed insufficient by Surety, the Undersigned agrees to deposit additional or substitute collateral in an amount and type acceptable to Surety. This may include the Surety's demand for cash collateral in substitution for trust deed collateral.

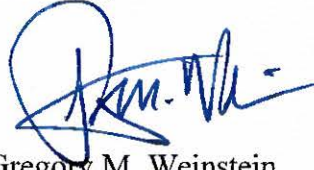

USSIC has exposure under the Bond issued for the benefit of Bridgelink in the total penal limit amount of \$478,887.24. The fact Bridgelink has failed to retain new counsel to represent its interests in the Lawsuit leaves both it and USSIC exposed to liability. For those reasons, USSIC formally requests, pursuant to its rights under Paragraph 3 of the GIA, the Indemnitors to: (a) post collateral security with the USSIC in the amount of \$500,000.00, representing the current exposure of USSIC (this amount includes fees and costs) based on the claim asserted by EPS against the Bond as of the date of this letter and/or (b) procure the full and complete release and/or discharge of USSIC from the Bond and all liability or potential liability in connection with the Bond. If the Indemnitors do not honor these requests by **4:00 PM, CDT, Thursday, May 9, 2024**, USSIC will exercise all remedies available to it under the GIA and applicable law.

USSIC strictly reserves all rights and defenses available under the Bond, the GIA, applicable law, and/or equity. USSIC reserves the right to increase the amount of collateral security required to protect against loss and anticipated loss under the Bond. Neither this letter nor any

response by USSIC to the matters described herein constitute an estoppel, waiver, or modification of any such rights and defenses. Subject to this strict and continuing reservation of rights and defenses, we look forward to your immediate attention to this matter.

Sincerely,
